
FM Insulation Newsletter - June 2015

Tue, Jun 30, 2015 at 8:00 AM

Greetings!

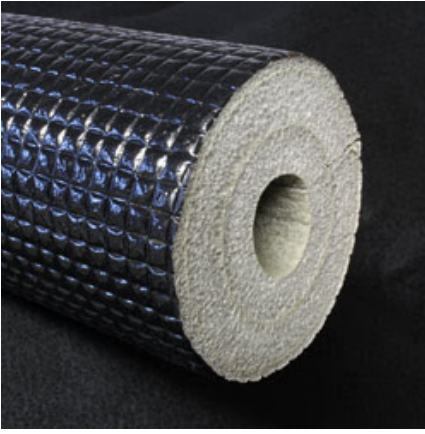

As we approach the end of the financial year, we're seeing business activities well up on those in March and that earlier dip in activities seems now well behind us. Meanwhile, the competition is up to a few new tricks... Read '[Mike's Perspective](#)', our new feature on the FM Insulation website.

New Products

We continue to extend our range of polyethylene pipe and sheet/rolls. We now carry Foil Faced PE sheeting with adhesive backing in a number of thicknesses, in addition to our range of standard foil faced PE sheet/roll.

Black Foil Faced PE spi

We have been asked to supply black foil faced PE spi for use in "open grid" ceiling

spaces in some projects. I'm pleased to advise that we now have a limited number of sizes available ex stock and can provide all sizes on project orders.

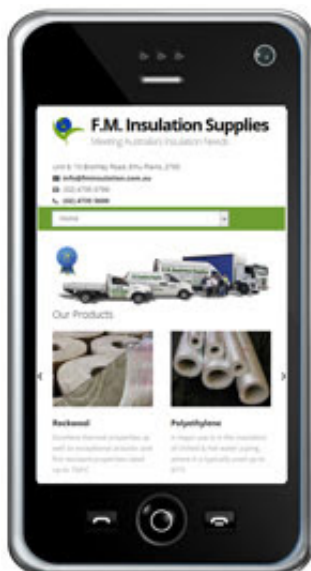

Master Plumbers Roadshow

Once again this year, we are exhibiting at the Master Plumbers Roadshow. The remaining shows this year are :

Orange Ex Servicemans Club	11th August
Bathurst Panthers	12th August
Master Plumbers College, Auburn	October (TBA)

If you are in these areas, please call in and say hello!

Finally...

I am advised by our IT guru that the format of this latest newsletter has been tweaked to fit better onto i-pads & smartphones.

Afraid it's all Chinese to me, so I bow to his superior knowledge in matters IT.

Mind you, he knows sod all about lagging. Horses for courses, eh !!!

[Ed.: I'd rather Lead than Lag]

At Your Service

Call Mike, Karl or Brendan on (02) 4735 5699 for further information or to assist with your order. You can email us at info@fminsulation.com.au
